

# Children without Appropriate Care

## Session 6a: Transforming the Care System

# Transforming the Care System: Key Stages

# Barriers to positive change

**Lack of Support**

**Poor Co-ordination**

**Weak Legal and Policy Framework and Implementation**

**Rush to deinstitutionalise**

**Insufficient resources**

**Poor social work/case management processes and capacity**

**Lack of consultation**

**Poverty alleviation not linked to Child Protection Work**

**Weak analysis, review, and evaluation**

**Poor regulation of alternative care and services**
